Entry permits into Tibet are strictly controlled by the Chinese government. Goway has no influence over the issuance of these permits and as such, cannot guarantee that entry into Tibet will be allowed at the time of your trip however we will endeavour to obtain entry right up until the day of departure. What this means is that when you book and confirm on a Splendours of China and Tibet tour, you acknowledge the likelihood that entry to Tibet potentially could be denied and accept the alternate itinerary provided without any compensation. Should you have any further questions regarding this issue, please consult with your travel agent for further details.
