**A Touch of Class**

Stay at romantic, world-class game lodges in the heart of the African bush. Dine under the stars, shower under the sun, and sip sundowners against the sweeping backdrop of the savanna. Be pampered at exclusive hotels, charter a private plane, let a six-star spa transport you from your cares, or climb aboard a luxury train, bound for Africa’s most magical sights. If you can dream it, you can live it. Goway Elite redefines the traditional concept of travel.

**Client Services**

Goway Elite’s team of Client Service Officers is on the ground, ready to greet you at the airport and ensure your holiday is off to a stress-free start.

Goway Elite can arrange charter aircraft to a range of destinations, including those rarely featured on the tourist trail. Charter flights are an exclusive and convenient way to discover this beautiful continent.

**Helicopters**

A continent with Africa’s epic scope is best seen from the air. Experience a bird’s eye view of majestic Victoria Falls, Namibia’s Skeleton Coast, or herds in the Okavango Delta. More than just sightseeing, a helicopter flight can also be a luxurious private transfer option.

There is something special about travelling on a train. Maybe it’s the sound of the wheels on the track, the gentle lulling motion, the scenic landscape rolling by as you enjoy a drink or meal, or just knowing, that the journey is the destination! Here we bring you three train experiences that will enhance your Zimbabwe or Zambia vacation.

**The Royal Livingstone Express** is a classic steam train expedition with fine dining. The train comprises five carriages, two dining cars, a kitchen car, lounge car and an observation car, with steam locomotives built by Northern British Locomotive works in the 193’s. The railway line runs parallel to the Zambezi River and sunset is enjoyed while travelling through the Mosi-Oa-Tunya National Park. Stop for a five course set dinner, with dessert being served on the return journey to Livingstone. Departs Monday, Wednesday + Saturdays.

**Stimela Star** is a private overnight sleeper train hooked up to the regular Victoria Falls to Bulawayo passenger train. The Star transports you in comfort and old-fashioned style overnight from Victoria Falls to Hwange National Park. In the morning disembark after breakfast. The train is powered by a diesel electric locomotive which dates back to the 1950’s. Select departure dates.

**Bushtracks Express Dinner Run** is a luxurious steam train which travels to the Victoria Falls Bridge and then out to the Zambezi National Park. It serves light snacks followed by a gourmet meal and drinks, courtesy of the prestigious Victoria Falls Hotel. This is the ultimate dinner experience, invoking the glorious age of steam and a view of the world-famous Victoria Falls at sunset followed by a steam train safari through the African Bush. Departs Tuesdays + Fridays.

**Africa Your Way**

Choosing a destination is the first step. All our travel ideas in this travel planner can be personalized to make your Africa Vacation completely, uniquely your own. Our personal service and attention to detail means we take care of all the details. As each experience is specifically custom-designed for you, these are not “off the shelf” and the costs will vary accordingly.

**Rhino Tracking - Help to Conserve the Rhinos!**

It takes a lot to protect these magnificent creatures that are threatened with extinction as a result of poaching by international criminal syndicates. At Thanda Safari Lodge (page 35) you can actively contribute to conserving the rhinos by joining dedicated Rhino Monitoring Teams who daily locate and record data on both black and white rhinos. Led by a Specialist Rhino Monitor, you head out in the game-viewing vehicle before sunrise to find rhino tracks. The guide will lead you, on foot, into the bush to find the rhinos. Learn all about them, including how to read their tracks, observing wind direction, their behaviour, feeding patterns and the threats they face as a species. The guide will teach you how to identify individual rhinos from ear notches and you will help to record their condition. All proceeds go directly towards rhino protection.

3 to 4-hour activity. Max 4 person. Daily on request.

LEARN ABOUT DIAMONDS IN KIMBERLEY

An Epic African Adventure

This epic 15-day journey travels through South Africa, Botswana, Zimbabwe, Zambia and Tanzania and is one of the most famous train journeys in the world. Travel through South Africa with short tours of the diamond town of Kimberley and the capital city of Pretoria, then a two night stay at a private lodge in the Madikwe Game Reserve.

The train then crosses through Botswana into Zimbabwe where you overnight at the Victoria Falls Hotel. After crossing the mighty Zambezi River, travel northeast through Zambia, joining the Tazara Railway line at Kapiri Mposhe. Enjoy a bush walk at Chisimba Falls then continue the climb towards the Zambian/Tanzanian border, almost the midpoint between Africa’s two Great Rift Valley lakes. Descend into the Rift Valley itself and witness spectacular scenery as the train negotiates the tunnels, switchbacks and viaducts of the escarpment.

Early on the last day, the train passes through the Selous Game Reserve - the largest on the continent and a vision of timeless Africa - the day before the arrival in Dar es Salaam.

The Linyanti Region, as does the unique Savuti channel, lies within Chobe and in the dry season, hosts an enormous concentration of game. Bushman artwork is marvellously preserved in the Makgadikgadi Salt Pans of the Kalahari in the southern part of Botswana, and this region offers a very different and complementary experience to the Okavango Delta.

Kenya, with its extremes of geography is often described as the African continent in microcosm. There are open plains, mountains, vast fresh water lakes and superb stretches of coastline. You will experience some of the best game parks in Africa... from Lake Nakuru, world famous for its spectacle of pink flamingos to the Masai Mara Game Reserve, home of the "Big Five"... and the Masai - a semi nomadic people whose culture and ways have changed little over the centuries.

Before you visit Kenya, we recommend you watch "Out of Africa" starring Robert Redford and Meryl Streep.
