Kimberley & Outback Wilderness Adventures

Discover Australia’s final frontier.

Spanning over 420,000 square kilometres, delve into the Kimberley’s history of pioneers and cattle drovers, offering landscapes made famous by Baz Luhrmann’s epic film Australia. When APT first began escorting travellers to this remote region more than 40 years ago, there was little permanent accommodation in remote areas – so we created our exclusive network of Wilderness Lodges, with respect for local communities and the natural environment. Meanwhile, the Outback offers an incredible array of sights, including the Red Centre’s iconic Uluru and Kings Canyon, as well as the incredible Kati Thanda–Lake Eyre. No one is better equipped to take you through these remote regions, which is why more people choose APT than any other premier escorted tour operator for Kimberley and Outback Australia.
