Come Fly With Us

When you are planning your trip to Australia or New Zealand, we believe that as much thought should go into how you are going to get there as what you are going to do once you arrive. Airfare routings and regulations to and around the exciting destinations we specialize in can be complicated and confusing. Let us book your flights using our **experience, expertise and buying power** with the airlines.

THE BEST AIRFARES

Airfares are complicated. Always check with Goway as to what is the best fare for you for the time you wish to travel. Join the thousands of people who have travelled with us and saved!

EARN FREQUENT FLYER POINTS

Most scheduled airlines offer a frequent traveller program through which you can reap travel rewards. A return trip from North America to the South Pacific goes a long way to earning you enough mileage for a free trip within North America.

You must join the program before starting your journey. Thanks to an extensive network of airline partners, you can earn points just about anywhere in the world you travel.

Business and First Class travellers can earn up to double rewards. Some economy/coach fares are not eligible to earn points.

STOPOVERS

Most scheduled airlines allow you the option to break your journey enroute to your main destination. These are known as "Stopovers", and allow you the choice to see a little more of the world than you might have imagined. Normally, we recommend a few days, but you could stay longer.

There is a wide variety of stopover destinations to choose from. The South Pacific Islands (see pages 43-48) or such company favourites as Hong Kong, Bangkok, Singapore and Bali (see pages 128-129).

FLYING TIMES

The South Pacific is not as far as you think.
 Los Angeles to Sydney: 15 hrs 10 minutes
 Los Angeles to Hong Kong: 14 hrs 45 minutes
 Los Angeles to Dubai: 15 hrs 50 minutes
 San Francisco to Paris: 11 hrs 5 minutes
 Chicago to Auckland: 16 hrs 30 minutes

ECONOMY CLASS

Economy Class has improved greatly from what it once was. Relax while taking advantage of the inflight entertainment. Many airlines have personal screens with a choice of channels for you to enjoy. Catering is varied with a choice of meals and special dietary options can be booked in advance. Generally, all drinks are complimentary and snacks are offered around the clock. Economy Class allows you to travel comfortably and arrive ready for your holiday.

PREMIUM ECONOMY CLASS

Premium Economy Class offers a separate class of seating and service that differs from standard coach class. Premium economy generally offers 5-7 extra inches of legroom, extra recline and greater seat width. You may find adjustable headrests, leg rests and lumbar support together with an enhanced food and beverage service. Often you will have your own dedicated cabin and crew. This is a great option for those looking for enhanced comfort at a value price.

BUSINESS CLASS

For the extra cost, Business Class, without a doubt, is well worth the investment. The advantages of Business Class begins before you even board the plane. Priority check-in, dedicated lounges with exclusive washrooms, complimentary drinks and snacks and business centre facilities. In flight, the meals are served one course at a time. The ergonomic seats have greater leg room to allow you to recline comfortably or lie flat. Your personal armchair has a video screen with many channels and movies on demand.

FIRST CLASS

Travelling First Class offers the ultimate in comfort and service in the air. First Class passengers receive the highest level of personal attention from arrival at the airport, to the moment they reach their destination. The seats have the greatest leg room of any class and many convert to beds. Generally there are just 15-20 seats ensuring peace and quiet and, being at the front of the plane, allows you to be first off the aircraft. À la carte dining on bone china and fine wines and champagne round off the finest way to fly.

Live Like A Local

2 Weeks Local Living from US \$923

Here is another original Goway travel idea. It is a unique program that is designed for **Globetrotters who have plenty of time**. We invite you to live with the locals in one or more of our recommended destinations (currently five) for a minimum of two weeks. That is the amount of time that will allow you to experience the **local** lifestyle, living and mingling in the local community. We will set you up in a fully self-contained apartment. You will receive a grocery starter pack and a welcome information kit containing maps, transport timetables, important contacts such as **local clubs** (diggers, surf, golf, bowls, fishing, etc), **current events** (surf carnivals, festivals, rugby, cricket) and suggested **activities** (beach, bush walking, cycling; picnics and barbecues, day tours, shopping, farmers markets, churches, etc). You will be a toll-free call away from Goway's Sydney office for advice or emergencies.

All locations are areas **where locals choose to live and/or go on vacation** all year round. They are also places that receive minimal international visitors as compared to the mainstream tourist spots. You can stay longer than two weeks or you can combine our chosen destinations with actual touring before or after your local stay. We think our prices will encourage you to go for an extended time ... remember your airfare cost should remain the same, however long you go for.

Above all, we want you to truly **feel like you lived with the locals** in your chosen destination(s) with Goway.

DAY & OVERNIGHT CRUISING

Limited on time but want to experience cruising Downunder? Goway has a wide selection of Harbour and River Cruises available, from 90 minute coffee cruises to half and full day cruises. Incorporating a cruise into a vacation is essential in some cities, especially Sydney where the Harbour is a bustle of ferry and cruise activity. Similarly Milford Sound in New Zealand can only be fully appreciated from the water; both day and overnight cruises are available.

SHORE EXCURSIONS

As the experts Downunder, Goway has many shore excursions available to enhance your trip. From coach tours to small group and private tours, Goway has tours to suit any taste. All of the tours and experiences in the brochure can be incorporated into a longer cruise itinerary.

PRE & POST CRUISE IDEAS

Whether you book one of the cruises on these pages, or are enjoying an extended cruise with one of the larger cruise lines, Goway has many pre and post-cruise ideas that depart daily and can be added before or after your cruise.

OTHER CRUISE IDEAS

There are many short duration cruises listed throughout this brochure, including:

- 1 **Whitsundays & Great Barrier Reef Cruises**, page 36, 38, 103, 123
- 2 **Fiji Cruising**, page 41-42
- 3 **Sydney**, page 35
- 4 **Kimberley Expeditions**, page 35, 37
- 5 **New Zealand**, page 37, 40
- 6 **Papua New Guinea Cruises**, page 35-37
- 7 **Tasmania**, page 36

Enjoying a drink on deck

Throughout Goway's world there are several unique and exciting cruise opportunities. Most are *luxurious small vessel experiences sailing in calm, protected waters* (although we do offer traditional larger cruise ships and itineraries for the budget minded). Being small, these cruises are more personal and are able to get closer to the attractions and experiences. Most of our cruise ideas are usually for short durations, and make a fabulous enhancement to your travels when incorporated into an overall itinerary.

AN IDEAL WAY TO TOUR

You may not consider yourself the typical cruise traveller – however, the cruises selected on pages 34-42 are for everyone. Simply check in and relax and enjoy the passing scenery; you'll enjoy the benefits of unpacking once and a variety of scenes and excursions each day.

As one of the fastest growing segments of travel, cruises appeal to a wide range of tastes, lifestyles, budgets and interests. There are literally hundreds of cruises to choose from and there is a cruise for everyone, ranging from mega ships to small boutique vessels. Each offers its own signature experience whether you are looking for romance, excitement, adventure, enrichment or escape.

You may opt to make the cruise the focus of your vacation and enhance the journey with a few nights before and after the cruise; perhaps adding exclusive shore experiences. Alternatively a shorter cruise may add a different dimension to your travel experience, and may create the perfect complement to a traditional land-based itinerary.

BOUTIQUE CRUISES

Goway's Boutique Cruises are small, personalised journeys with a limited number of guests and a high staff to guest ratio. They are generally the best (or only) way to explore an area ensuring none of the "must see" sights are missed on your vacation. On the following pages or on **goway.com** we list a number of cruises that we recommend are incorporated into an overall journey. Choose from sailing in the Whitsundays, cruising Australia's Great Barrier Reef, Sydney Harbour and the Mighty Murray River or Expedition cruising in Antarctica, Papua New Guinea, or Australia's Kimberley.

GROUP CRUISES

Cruising is the ideal mode of travel for groups; whether it's a family reunion or affinity group, Goway's GROUPSONLY (see page 131) have a team of experts on hand to help you plan a special adventure. Plus the group organiser can travel for FREE based on minimum numbers travelling.

New Zealand is approximately the size of Colorado, or 1/20th the size of the Continental United States.

A valid passport is required, it must be valid for at least 3 months beyond your intended stay. NZeTA (Electronic Travel Authority) is required.

Port Douglas.

Located on beautiful Four Mile Beach and just over an hour's drive north of Cairns, Port Douglas offers a "village by the sea" atmosphere with great restaurants, excellent shopping and a marina. Even further north, the World Heritage listed Daintree and Cape Tribulation National Park is the largest tract of rainforest in Australia and is a naturalist's paradise. In tropical far North Queensland, the pace of life is slower, the white sandy beaches are deserted and the scenery is breathtaking.

THE GHAN EXPEDITION

TB

4 Days from US \$2578

Regarded as one of the world's greatest rail journeys, The Ghan delivers so much more than an extended train ride. It promises access to parts of Australia no other holiday can come close to – the perfect balance of comfort and adventure culminating in an experience that will move you in every sense of the word.

Ready yourself for an incredible, one-of-a-kind experience on The Ghan Expedition. Beginning in Darwin, this epic four day, three night, 2979km/1851 mile tour will take you to some of the most remote yet captivating parts of Australia in style and luxury.

Day 1. Depart Darwin. Your journey aboard the legendary Ghan begins after being transferred from your hotel to Darwin Rail Station. Enjoy lunch in the Queen Adelaide Restaurant before you arrive in Katherine and take a leisurely cruise on the idyllic Nitmiluk (Katherine) Gorge, gazing in awe at the towering sandstone cliffs, and learning about the Aboriginal and geological history of the area. Back on board, enjoy dinner as the sun sets over the outback.

LD

If you'd prefer to ramp it up a notch, you're welcome to **upgrade your excursion** with a helicopter or scenic flight over Kakadu and Nitmiluk National Parks, providing unparalleled views of the geographic wonders that gave rise to many of the aboriginal Dreamtime stories. (Only available for purchase on board)

Day 2. Red Centre. Wake up to a new view outside your window, taking in the incredible outback sunrise as you enjoy a sumptuous breakfast before arriving in Alice Springs. A full day in the gateway to the Red Centre gives you ample opportunity to visit the town landmarks, get up close and personal with Australia's incredible flora and fauna or explore The Alice at your own leisure. In the evening, dine beneath a canopy of stars at an Outback Pioneer Dinner, with live Australian music, followed by an informative astronomical talk as you cast your eyes skyward before reboarding the train.

BLD

At this point you may choose to **upgrade your excursion** with the ultimate outback experience; an intimate scenic fixed wing flight over Uluru and Kata Tjuta including lunch and Uluru base tour. (Prebooking strongly recommended).

Go As You Please & Travel Passes

Katherine Gorge

Day 3. **Coober Pedy.** After breakfast this morning, The Ghan will pull into the middle-of-nowhere stop at Manguri where you'll be whisked away by your friendly tour guide for today's destination: the sun-scorched opal mining capital of the world, Coober Pedy, where more than half of the residents live underground. Venture into the tunnels and caves of this underground town, where you may catch opal fever as you mine for riches, visit the otherworldly underground Serbian Orthodox church and enjoy a gourmet lunch below the earth's surface before setting off to the stunning outback moonscape that is the Breakaways. After an eye-opening, action-packed day, you'll make your way back for your final evening onboard The Ghan.

BLD

Day 4. **Arrive Adelaide.** Looking out of your window this morning you'll notice a dramatic change in landscape as the rich ochre tones of the outback make way for the beautiful green fields and pastoral lands of South Australia. After brunch, The Ghan rolls into Adelaide, where you may wish to extend your stay with trips to the Barossa Valley or Kangaroo Island, or stay close to the city, exploring the culinary food-bowl that is Adelaide, the gateway to some of Australia's best wine country.
