Live The Splendour

Of all the thousands of travel ideas offered by Goway, only 11 carry our "promise of something special".

To maintain the exclusivity of these amazing trips we limit both the size of the group and the number of departures. As well, to differentiate our HOLIDAYS ✦ A LIFETIME from regular scheduled escorted tours we focus on you experiencing the destination rather than just seeing the sights. You will see and do things you would not see or do as an independent traveller.

Goway's HOLIDAYS ✦ A LIFETIME are inclusive vacations where Goway's own professional guide takes care of all the day to day details. All accommodations are First Class or better. Many meals are included as is virtually all touring along the way.

Travelling with our experienced Tour Directors, you visit some of the world's most exciting, exotic and entertaining places as well as meet the locals. You will also enjoy the companionship of fellow travellers, many of whom will become your friends for life.

“

Our tour guide was very experienced and was an excellent information source and a constant help. We never had to lift a finger to arrange tickets, transfer luggage or worry about entrance fees etc. He read people very well and managed us all kindly and efficiently and enhanced the experience greatly with his knowledge of the area and of what would work best depending on the weather etc at that time. We will never forget this trip. We saw things we never even knew we wanted to see and shared many once in a lifetime experiences with a great group of people . Goway provides a busy full experience trip that sends you home tired but happy and full of wonderful memories!!!

“

Accommodations. All were first class or best available. Registrations at the many hotels were quick for the group. No waiting around. Flights. All was smooth flying. Lots of good, varied buffets and the specialty places lived up to their reputation. Plenty of breaks for coffee or comfort or both. So glad I chose this option. Would use Goway again. I liked the itinerary planned. Lots to see as efficiently as possible. Many different experiences!

Australia & New Zealand

“Our tour director was exceptional. I felt complete trust and had every confidence in her. Every small detail was looked after. Nothing was too great or too small for her to handle. The local guides used were, for the most part, friendly and extremely knowledgeable and more than willing to share their info with us. Many went out of their way to ensure a quality experience in their city. Have used Goway in the past, and would most definitely recommend them and use them again in the future.”

J. Burns

“This was an excellent tour with great insights. The tour was extremely well organized thanks to our tour director. All accommodations and airline transfers to the various cities we visited were 100 percent looked after. Our director looked after our concerns, kept us informed about what was to happen each day. His organizational skills are excellent. In finishing I would highly recommend Goway and this tour to anyone. I would definitely use Goway again. Thanks for a great experience.”
